## Farmers' Challenge - Entry Form

The Farmers' Challenge is designed to provide entertainment and promote farming which showcases the involvement of Australian youth in agriculture. The Farmers' Challenge demonstrates a range of skills, equipment and techniques farmers use every day as well as some fun activities. Emphasis is placed on completing each activity within the best time frame, but more importantly with the correct technique and safe work practices.

In the Farmers' Challenge, there will be teams of 4 competing in a range of challenges, the team to complete the challenges in the quickest time wins.
